25X1

25X1 5. I checked the clearances of Messrs. Smith and [redacted] and I notice that they have SI, T and TKH. I solicited the 25X1 opinion of both [redacted] and they both concurred in the desirability of signing up Messrs. Smith and [redacted] since, undoubtedly, other occasions will occur wherein they will be exposed to our sensitive project information. In view of this, I have initiated action to have the ADCI and his Deputy signed up for I, A, C and O to ensure that information which comes into their possession through their attendance at the DCI's staff meetings is properly contained.
